

Prixton Alexa SWB29 smartwatch

SKU: TP22PA15790

Category: Technology

The SWB29 smartwatch measures daily physical activities and tracks heart rate, steps, blood oxygen level, stress level, and much more. The smartwatch also has a multi-sports mode, with which you can also more accurately measure sports activities such as walking, running, pilates, yoga and more. It also features the Alexa voice assistant, and the ability to receive and make calls. Bluetooth® version 5.3 for a stable connection between the smartwatch and your device.
