

Prixton Delta drone

SKU: TP22PA17490

Categorie: Technology

Thanks to the incorporated app in the Delta drone, you can control it with your mobile device and see in real-time on your screen what the drone captures. It has a frontal anti-collision sensor, an optical stabiliser and an emergency stop mode for a stable, uninterrupted and safer flight. Additionally, it includes various accessories: remote control, 4 spare propellers, USB charging cable, screwdriver, manual, and a carrying case.
