

Prixton DV609 Action Camera

SKU: TP22PA201

Categorie: Technology

The DV609 Wi-Fi camera is designed for use in a wide range of environments and activities. It records high-definition video and features image stabilisation for smoother, clearer footage. When used with its waterproof housing (up to 30 metres), the device is resistant to water, dust and impact, making it ideal for outdoor and action settings such as water sports, hiking and aerial activities. The camera comes with 12 accessories: waterproof case, bike mount, clip, three adapter mounts, helmet mount, straps, adhesive pads, USB cable, battery and user manual. Wi-Fi connectivity and app compatibility enable quick transfer of files to mobile devices.
