

Prixton SWB33 smartwatch

SKU: TP22PA181

Categorie: Technology

The SWB33 smartwatch has an AMOLED screen providing unbeatable colour quality. With its GPS function, you can record all your activity on the watch while you exercise without having to carry your phone with you, and transfer it to the phone when you get home. The smartwatch offers different functions to measure daily physical activity and has a rigorous multisport mode that accurately measure up to 110 different activities. It also includes a voice assistant, compatible with Siri and Google Assistant.
