Puffer 15.6" GRS recycled laptop backpack 18L

SKU: TP213011406

Category: Bags and travel

Soft, lightweight, and designed for modern life, the Puffer 15.6" laptop backpack combines premium GRS certified recycled materials with practical features for everyday use. Its water-repellent 18-litre design includes a padded main compartment for laptops up to 15.6", along with multiple external pockets to keep essentials organised. A breathable mesh back and trolley strap provide comfort and convenience when travelling, while the signature puffer-style padding offers both a sleek look and extra protection for your belongings. Ideal for commuting, school, or travel.
