Puffer 15.6" GRS recycled laptop tote bag 18L

SKU: TP213011690

Category: Bags and travel

The Puffer 15.6" laptop tote bag combines GRS certified recycled materials with a smart and modern design. With an 18-litre capacity, it includes a padded sleeve for laptops up to 15.6" and multiple interior and exterior pockets to hold notebooks, chargers, water bottles, and other essentials. Long padded handles and a trolley strap ensure comfortable carrying, while the puffer-style padding provides both protection and a sleek appearance. Lightweight and water-repellent, this tote bag is an ideal choice for professionals and students on the move.
