

Pure 5-in-1 charging cable with antibacterial additive

SKU: TP2124184

Category: Technology

Charging cable with antibacterial additive and 5 different connectors: Type-C input, USB-A input, Type-C output, iOS output, and micro USB output. This allows for using the cable also with Type-C output devices that are included in the newer generation of phones and macbook computers. Cable length is 100 cm. The antibacterial additive is able to effectively reduce the bacterial levels present on the surfaces of the material, with high effectiveness in inhibiting the growth of bacteria and fungi responsible for creating unpleasant smells, staining and degradation of textile and plastic products. Tested according to ISO 20743:2013.
