

Pure mouse pad with antibacterial additive

SKU: TP2124183

Categorie: Technology

Mouse pad with anti-bacterial additive and a 5 mm Polymerized Styrene Butadiene Rubber (SBR) anti-slip base, keeping the mouse pad in place. The additive is able to effectively reduce the bacterial levels present on the surfaces of the material, with high effectiveness in inhibiting the growth of bacteria and fungi responsible for creating unpleasant smells, staining and degradation of textile and plastic products. Tested according to ISO 20743:2013.
