

Quantum RCS ultra-fast 25W Magnetic desk wireless Charger

SKU: TP1P309.1402

Category: Technology

Experience ultra-fast 25W magnetic wireless charging with Quantum Ultra-Fast 3-in-1, the sleek desktop charger that powers your phone, Apple Watch/Samsung Watch, and earbuds simultaneously. Its efficient system delivers stable charging across all devices, supported by advanced safety and temperature protection for reliable everyday use. Made from RCS certified recycled ABS, recycled aluminium, and recycled PC. RCS (Recycled Claim Standard) verifies the recycled content throughout the supply chain. Total recycled content: 47% based on total item weight. The USB-C input ensures consistent energy delivery for optimal 25W output, and the item and accessories are PVC-free and packed in FSC® mix kraft packaging. Including a 120 cm USB-C to USB-C cable made from RCS-certified recycled TPE. Minimum input: 9V/3A for optimal use.
