Recanvas 15.6" GRS recycled city backpack 16L

SKU: TP2130124

Category: Bags and travel

Made from GRS certified recycled water-repellent canvas with a colour-matched RPET lining, the Recanvas city backpack combines style with everyday practicality. It includes a padded 15.6" laptop compartment with an additional padded sleeve, a zipped front pocket, two side pockets, a breathable mesh back, and adjustable shoulder straps for comfort. With a 16-litre capacity, it is ideal for commuting, studying, or day-to-day use.
