Resi Plus GRS recycled cooler backpack 18L

SKU: TP2130119

Category: Bags and travel

Made from GRS certified recycled PU leather with a matching RPET lining, this 18-litre backpack cooler backpack is designed for outdoor adventures. The spacious main compartment is insulated with high-quality PEVA lining and thick PE foam to keep food and drinks cool, while elastic webbing loops securely hold a bottle of wine. A large padded front zip pocket provides extra protection, and an open side pocket offers quick access to a drink bottle. For comfort, the bag includes breathable mesh on the back and adjustable and padded shoulder straps. Perfect for picnics, beach trips, and camping.
