

Resi Plus GRS recycled tech pouch 1L

SKU: TP2130121

Category: Bags and travel

Made from GRS certified recycled PU leather with a matching RPET lining, this tech pouch is designed for travellers, remote workers, and tech enthusiasts. Compact and easy to carry in a backpack or cabin bag, it has a zipped main compartment with practical organisation features including an elastic pen loop, two mesh pockets for earbuds and small accessories, a reinforced divider, and multiple elastic loops to securely hold cables, USB drives, and chargers. The exterior includes a front pocket with hook-and-loop closure for quick access, along with a webbing handle for convenience. Finished with a water-resistant coating, it keeps your essentials protected wherever you go. Volume capacity: 1 litre.
