Disponibilitate: În stoc (1295)

Become a gaming hero with this high quality RGB gaming headset. The headphone is adjustable and due to the over ear design, super comfortable to wear for hours non-stop. With integrated RGB lights. Also incorporating low latency mode to have no delay from the screen. The high quality MIC enables perfect and clear communication and can be used for conference calls. With 220 cm wear-proof woven cable for extra long lasting usage. The headset is plug and play so no need to install a driver. Item and cable are PVC free.
