Introducing Robert, the ultimate dancing robot that's set to revolutionise your entertainment experience! Seamlessly connect Robert to your mobile device via wireless connection and let the magic unfold. With an integrated speaker that plays crystal-clear music, Robert will groove to the beat, turning any room into a dance floor. Sync Robert with your Android or iOS device in a snap and use the interactive APP to program and control Robert's dance moves directly from your mobile. Enjoy high-quality music through Robert's built-in speaker and dance non-stop for up to 5 hrs with a range of up to 10 metres. Perfect for kids and adults alike, Robert is sure to captivate and entertain everyone. Whether you're hosting a party, looking for a fun way to engage with your kids, or just want a unique companion, Robert is your go-to gadget. Watch him be the centre of attention, bringing joy and laughter to every gathering. Don't miss out on the fun. Bring Robert home and let the dancing begin
