Rover Pro 20" GRS recycled cabin trolley 40L

SKU: TP2130087

Categorie: Bags and travel

The Rover Pro 20" cabin trolley truly stands out with its front-open 20" laptop compartment and integrated USB charging port, making it an ideal travel companion for business as well as leisure trips. This trolley is constructed with impact-resistant GRS certified recycled plastic and quality RPET lining, and features a front-open laptop compartment with organisational pockets for electronics accessories, and a TSA combination lock for both main and front-open compartment. The trolley also features 360-degrees double-wheel spinners for easy handling at airports. Can be brought as hand luggage on most mainstream airlines.
