

Savvy recycled plastic modular charging cable with phone holder

SKU: TP212436101

Category: Technology

Modular data transfer and charging cable made from recycled plastic, delivered in an elegant storage box that also works as a phone stand. The cable offers multiple charging solutions: Type-C and USB-A input, and Type-C/iOS/micro USB output. Thanks to all of these adapters and connectors, this cable allows you to charge most smartphones, cameras, power banks, earbuds etc. The cable has a maximum output power of 2A. Features an eject pin that comes in handy anytime you need to take out your phone's SIM card. The storage box also has room to store a micro SD memory card as well as a nano SIM card, making this the perfect travel accessory. Cable length: 26 cm. Supplied in a 100% recycled kraft paper envelope.
