Solara 105 g/m2 nylon cap

SKU: TP239575

Categorie: Clothing

The Solara nylon cap is a lightweight essential designed for stylish, all-weather adventures. Crafted from 100% nylon taslon, it delivers a soft, durable feel that keeps you comfortable in all weather conditions. Featuring UPF 50 sun protection and rain-proof performance, this cap ensures reliable coverage. Its quick-drying, breathable fabric makes it perfect for travel, hiking, or everyday wear. Each piece includes an Aware™ tracer, ensuring full transparency of its responsible production journey.
