

Solarpulse rplastic portable Solar panel 10W

SKU: TP1P323.061
Categorie: Technology
Disponibilitate: In stoc (746)

10W double foldable solar panel that allows direct charging to your mobile device, speaker, powerbank or other device. Simply connect your cable to the device while the panel is in sunlight and start charging. Charge rate depends on conditions. The panel uses high quality monocrystalline solar panels with 21% conversion rate. With USB A and Type C output (max 5V/1A) and charge indicator to show charging speed. Charging speed solar: 5V/2000mA. Made with PET material and RCS certified recycled ABS. Including integrated stand function to use the solar panels at an optimal angle. IPX 6 waterproof. Packed in FSC® mix packaging.
