The Somoto short sleeve women's v-neck t-shirt made of 160 g/m² cotton is perfect for any occasion and a comfortable addition to any wardrobe. The ringspun cotton provides a stronger and more smooth yarn, that results in a more durable fabric that guarantees high quality branding. It is shaped for a feminine look and has side seams to ensure a great fit, and the V-neck design adds a touch of style. The printed in-neck Elevate branding also adds to its overall comfort, and the re-enforced shoulders ensure a continuous fit even after long-term use.
