The Spike tool set combines practicality, durability and sustainability in one beautiful package. Its cork storage pouch is not only visually appealing, but also environmentally responsible without compromising on quality or performance. Inside the pouch, you'll find a set of 24 essential tools crafted from carbon steel and RCS certified recycled plastic: 1 knife for clean cuts and precise trimming, 6 precision screwdrivers for delicate tasks, 10 screwdriver bits, 1 screwdriver handle with comfortable grip, 1 extension bar for hard-to-reach areas, 4 sockets for various applications, and 1 long nose plier for gripping and bending.
