Spinel unisex hoodie

SKU: TP23955382B

Categorie: Clothing

The Spinel unisex hoodie features a clean, timeless design that's easy to wear every day. Made from 280 g/m² fabric composed of 80% OCS-certified organic cotton and 20% polyester, it has a softly brushed interior for lasting comfort throughout the year. Fine pick-stitch detailing and a self-fabric neck tape enhance durability and give the hoodie a refined finish. Inside, only a size label is included, making it ideal for a label-free branding concept. Thanks to AWARE™ traceability technology, each hoodie comes with a digital product passport that allows you to view its verified origin.
