Categorie: Home and kitchen

Getting warm quickly is not difficult with the luxurious Springwood soft fleece and sherpa plaid blanket measuring 150 x 125 cm. The blanket is made of a combination of 140 g/m² polar fleece and 180 g/m² sherpa fleece. This composition provides a soft and comfortable material that creates the necessary warmth quickly and retains body heat. In addition, it is lightweight and easy to maintain. To store the blanket, roll it up and put it in the included pouch with drawstring closure. The blanket has a side zipper for easy printing.
