Stanley All-Day Julienne Max 20-can recycled cooler bag

SKU: TP2100945

Category: Bags and travel

The All-Day Julienne Max cooler bag is made from 100% recycled polyester, offering a more sustainable option for outdoor dining. With space to hold up to 20 cans, the spacious main compartment features a vibrant patterned winged bear liner and contrast details, keeping drinks, snacks and meals chilled for up to 24 hours. A mesh pocket is designed to fit your Quencher or bottled beverage, while a discreet back zip pocket keeps valuables secure. The hinge-top design and padded shoulder straps make carrying and unpacking easy, and the sturdy zip with reusable ice pack compatibility ensures everything stays in place, making it ideal for picnics, city hikes or weeknight outings.
