

Stanley IceFlow™ 2.0 700 ml water bottle with flip straw

SKU: TP210088541

Categorie: Drinkware

The 700 ml IceFlow™ 2.0 water bottle features advanced AeroLight™ technology, making it 33% lighter than standard stainless-steel bottles. Its featherweight spun-steel insulation keeps your water ice-cold for hours, making it ideal for workouts or daily hydration. The folding handle allows for easy carrying, perfect for grabbing on the way to a yoga class. The flip straw lid features a larger opening and a built-in straw for quicker hydration—just flip it open to sip and snap it shut when you're done. The spout can be removed for a deeper clean, ensuring fresh-tasting water every time. This item can only be ordered with print (samples can still be ordered blank).
