

Stark 2.0 5W recycled plastic IPX5 Bluetooth speaker

SKU: TP2124320

Category: Technology

Experience the next level of audio excellence with the Stark 2.0 speaker made of recycled plastic! This sleek, sophisticated and powerful Bluetooth® speaker provides 5W of high-fidelity sound, and with its IPX5 certification it is water-resistant making it perfect for outdoor use. Thanks to its high capacity 1200 mAh Li-ion battery, the Stark 2.0 speaker delivers up to 4.5 hours of non-stop music at maximum volume. It also features built-in music controls and a microphone, allowing you to make hands-free calls with ease to stay connected even while on-the-go. Delivered with a 30 cm TPE USB-A to Type-C charging cable, an instruction manual and a kraft paper gift box. Bluetooth® version 5.3 with a working range of 10 meters (33ft).
