

Swiss Peak RCS certified deluxe business gift set w/ tumbler

SKU: TP1P774.67

Category: Office accessories

This luxury gift set includes all the essentials you need to get through your workday in style. The 350 ml double-walled tumbler is vacuum insulated, keeping your drink hot or cold for an extended period. The leak-proof lid ensures your clothes stay dry, even if the tumbler is accidentally tilted or not held upright. To keep your most important keys always within reach, the set includes a premium Swiss Peak keychain featuring a glossy metallic finish and a beautifully crafted PU leather strap. Need to jot down some thoughts or ideas? This set also comes with a sleek business ballpoint pen with a writing capacity of 1000 meters, and a soft-touch PU notebook made from recycled polyester. The notebook contains 160 cream-colored pages made from recycled paper. All items in this gift set are RCS certified, guaranteeing a fully verified supply chain for the recycled materials used. In total, the products in this set consist of 75% recycled content.
