

Drinkware / Thermoses and insulated bottles

Thor 500 ml RCS certified recycled stainless steel water bottle

SKU: TP210081981

Category: Drinkware

Durable, double wall vacuum insulated RCS certified stainless steel water bottle, which means it keeps drinks hot for 12 hours and cold for 24 hours. The bottle features a stainless steel screw-on lid and a durable stainless steel handle loop. Volume capacity: 500 ml. Leak proof. Presented in a gift box.
