

Drinkware / Thermoses and insulated bottles

Thor 500 ml sublimation RCS recycled stainless steel water bottle

SKU: TP2100923

Category: Drinkware

Crafted from durable, double-wall vacuum insulated RCS certified stainless steel, this water bottle is designed to keep drinks cold for 24 hours or hot for 12 hours. A special exterior coating allows for sublimation printing, and it features a stainless steel screw-on lid with a strong handle loop for easy carrying. Volume capacity: 500 ml. Leak proof. Presented in a gift box.
