Thule 2-piece recycled packing cube set

SKU: TP212795501

Category: Bags and travel

The Thule packing cube set includes one medium and one small cube, designed to fit efficiently in most carry-on luggage while leaving space for other travel essentials. Semi-transparent mesh tops make it easy to identify contents at a glance, while durable YKK zips provide smooth, reliable access. Made from PFAS-free, bluesign® approved 100% recycled ripstop nylon sourced from fishing nets, the cubes offer a lightweight yet durable solution for keeping clothing and accessories neatly organised in your suitcase or travel bag.
