

Thule Accent Recycled Backpack 23L

SKU: TP1RB3205381

Category: Bags and travel

The Thule Accent Backpack 23L is a professional travel backpack designed to provide excellent protection for your valuable belongings. The main compartment features a 15.6" laptop sleeve, a tablet sleeve, a phone pocket, and a slip pocket for optimal organisation. At the top, the bag includes a SafeZone compartment, offering extra protection for items such as sunglasses or a phone. The front side-access pocket features a mesh compartment, helping you keep your belongings neatly organised and separated. On the sides, the backpack includes a slip pocket and a zip pocket, making it easy to keep items such as water bottles within quick reach. The padded back panel, shoulder straps, and sternum strap ensure maximum carrying comfort, even during longer journeys.
