Thule EnRoute backpack 12L

SKU: TP2127958

Category: Bags and travel

A compact and lightweight backpack designed for quick trips, light commuting or carrying everyday essentials on the go. The main compartment easily fits a tablet, a jacket and daily accessories, while a zippered front pocket provides quick access to smaller items and an internal mesh pocket keeps belongings organised. A bike light loop adds practical functionality for commuters, and breathable shoulder straps with a chest strap ensure a secure and comfortable fit, while reflective details enhance visibility in low-light conditions. Made from bluesign® approved 400D nylon with a PFC-free, water-resistant finish and durable YKK zips, this backpack offers reliable performance for everyday use.
