Thule Indago Backpack 23L

SKU: TP1RB320431

Category: Bags and travel

The Thule Indago Laptop Backpack is a durable and practical backpack designed to carry your laptop and everyday essentials with ease. Made from 100% recycled materials, it offers a more sustainable choice without compromising on functionality or style. The padded laptop compartment safely fits laptops up to 16 inches, while the front pocket is perfect for storing keys and smaller accessories. A convenient slip pocket at the front provides quick access to items like snacks or other daily essentials. The side pockets are ideal for carrying a water bottle, keeping hydration always within reach. Designed for everyday comfort, the adjustable shoulder straps ensure an ergonomic fit, making the backpack perfect for commuting, work, school, or travel.
