Thule Lumion 16" recycled laptop backpack

SKU: TP212075990 Categorie: Bags and travel Disponibilitate: În stoc (185)

The Thule Lumion 16" laptop backpack is made from recycled polyester, and features a front zippered pocket for organisation as well as a larger zippered compartment with a padded 16" laptop sleeve. The top carry handle allows you to grab and go while the padded back panel provides lower lumbar support. A side water bottle pocket and daisy chain webbing are bonus

features of this backpack.
