

Thule Subterra 2 backpack 21L

SKU: TP2120728

Categorie: Bags and travel

The Thule Subterra backpack is perfect for the modern traveller, boldly combining simple aesthetics, adaptable features, and thoughtful storage. The padded laptop compartment protects a 15.6" laptop and the tablet sleeve can hold a 10.9" tablet. The interior organisation panel keeps pens, cords, keys, and other essentials organised and secure. Important items like passport or wallet are kept safe with the security pockets on the back panel. At the exterior of the bag there are 2 side pockets which are suitable to store water bottles or even an umbrella. The backpack also features a luggage pass-through strap to attach the bag to rolling luggage for effortless travel.
