Thule Subterra 2 carry on spinner suitcase

SKU: TP2120743

Categorie: Bags and travel

The Thule Subterra 2 carry-on spinner is a versatile suitcase that helps maximize packing space and organise all items. The flat fold divider is there to organise and separate items like shoes from clothes, and the removable compression panel and the compression straps maximizes packing space. The exterior features a quick access pocket to easily access items in the large top-loading pocket. For smooth and easy transport this luggage comes with quiet rolling spinner wheels and v-tubing telescope handle to offer effortless manoeuvrability.
