

Trine 3-ink RCS recycled ballpoint pen with stylus

SKU: TP210637681

Category: Office accessories

The Trine 3-in-1 ballpoint pen is a versatile writing tool made from RCS certified ABS plastic with a modern metallic finish and an integrated stylus tip for touchscreen use. It features a push-slide mechanism to easily switch between black, blue, and red ink. The ergonomic grip with black anti-slip rubber and grey ring details ensures comfortable handling. Compact, functional, and ideal for branding, the Trine pen is perfect for note-taking, presentations, or digital interactions.
