

Turner 15.6" GRS recycled laptop duffel bag 36L

SKU: TP212075190

Categorie: Bags and travel

The Turner duffel bag is made of 51% GRS certified recycled plastic and the lining is made of 100% GRS certified RPET. The duffel features a padded 15.6" laptop compartment, an internal strap for securing a water bottle, and a zipped pocket for smaller items. Additionally, a luggage strap on the back allows for easy attachment to rolling luggage, making it a convenient travel companion. The duffel can be carried by the 2 short handles, or by the expandable and detachable shoulder strap that can be adjusted for maximum comfort. Volume capacity: 36 litres.
