Need to charge all your devices at the same time at full speed? Arcadia has got you covered with its ultra-fast 15W magnetic charger. This compact wireless charger can be used on your desk, night stand but is also very easy to fold it up to bring on the go on your travels. Use it as a stand to charge magnetic charging phones. The back has a 5W charging pad that lets you charge a second phone or earbuds. To top it off, use the watch charger to power the latest generations of iWatch. Arcadia comes with a 120cm recycled TPE cable for easy setup anywhere you want it. Simply connect it to a fast-charging power source (minimum 9V/2A) to get started. It's made with RCS (Recycled Claim Standard) certified recycled ABS, with 34% recycled content based on total item weight. Urban Vitamin items are made without PVC and packed in plastic-reduced packaging.
