Burbank's magnetic technology effortlessly snaps onto your iPhone 12 and up, as well as new-generation Android phones, ensuring a seamless connection for 7.5W wireless charging. Need a quick boost to get you through the day? Burbank supports 10W charging via its Type-C port, both for replenishing the powerbank itself and supercharging your device. No more waiting around – get back to what matters most in no time! It couldn't be simpler – just click Burbank onto your phone, and watch the magic happen! Our intelligent design automatically initiates charging the moment it's attached, ensuring your devices are always juiced up when you need them. We believe in quality that endures, which is why Burbank is equipped with a high-quality ultra thin 3000 mah 100% cobalt battery (1200 cycles). This powerhouse lasts longer and performs better than ordinary lithium batteries, giving you reliable, long-lasting power. Made with RCS (Recycled Claim Standard) certified recycled aluminium and ABS.
