You feel it immediately you put them on, this is the perfect headphone to get carried away by your favourite music. The soft cushions fit perfectly on your ear, you can easily wear them all day. The twistable design makes them fit even better and the deep clear audio starts flowing to your ears. The battery will not let you down: 60 hours of non-stop music , podcast or video. If someone calls you, simply answer it with the integrated mic. When you need a short break from your headphone just fold it to a portable size so it fits easily in your backpack. Including rPet string pouch made with AWARE™ tracer. The headphone is made with RCS (Recycled Claim Standard) certified recycled ABS. Total recycled content: 63 % based on total item weight. RCS certification ensures a completely certified supply chain of the recycled materials. Urban Vitamin items are made without PVC and packed in plastic reduced packaging.
