Categorie: Technology

Richmond's magnetic technology effortlessly snaps onto your iPhone 12 and up, as well as new-generation Android phones, ensuring a seamless connection for lightning-fast 15W charging. Need a quick boost to get you through the day? Richmond supports lightning-speed 20W fast charging via its Type-C port, both for replenishing the powerbank itself and supercharging your device. No more waiting around – get back to what matters most in no time! It couldn't be simpler – just click Richmond onto your phone, and watch the magic happen! Our intelligent design automatically initiates charging the moment it's attached, ensuring your devices are always juiced up when you need them. We believe in quality that endures, which is why Richmond is equipped with a high-quality 5000 mah 100% cobalt battery. This powerhouse lasts longer and performs better than ordinary lithium batteries, giving you reliable, long-lasting power. Made with RCS (Recycled Claim Standard) certified recycled aluminum and ABS.
