

Urban Vitamin Sacramento 105W GaN charger+retractable cables

SKU: TP1P309.5402

Categorie: Technology

Disponibilitate: În stoc (730)

The all-in-one power solution you've been waiting for. Sacramento is a 105W GaN charging station that combines maximum power with built-in convenience. It features two integrated retractable 65W USB-C cables, so you always have fast charging at your fingertips — no extra cables needed. Need more options? Sacramento also includes a USB-A and USB-C port, giving you a total of four output options to charge laptops, tablets, smartphones, and more — all at once. And for your wireless devices, Sacramento is equipped with a powerful 15W magnetic wireless charger that keeps your phone securely in place, plus a separate wireless pad designed specifically for smaller items like earbuds or AirPods (5W max). Sacramento delivers high performance with a compact, efficient design — producing less heat and using energy more efficiently than traditional chargers. Sacramento is made with RCS (Recycled Claim Standard) certified recycled fireproof PC. Total recycled content: 26% based on total item weight.
