Need to charge all your devices at the same time at full speed? Torrance has got you covered with its ultra-fast 15W magnetic charger. The wireless charger can be used both as a stand or flat. Use it as a stand to charge magnetic charging phones or use it flat for any other wireless phone. Use the middle 5W charging pad to charge a second phone or earbuds. To top it off use the watch charger to charge the latest generations of iWatch. Torrance comes with a 120cm recycled TPE cable for easy set up on your desk or night stand. Simply connect it to a fast charging power source (minimum 9V/2A) to get started. Torrance is made with RCS (Recycled Claim Standard) certified recycled ABS. Total recycled content: 37% based on total item weight. Urban Vitamin items are made without PVC and packed in plastic reduced packaging
