The Vancouver backpack is a simple backpack with many options for printing a logo or other corporate message. The bag is made of 600D polyester, a strong material suitable for high quality backpacks. The bag has a zippered main compartment for the large items, while the zippered front pocket is useful for the smaller items. Thanks to the adjustable padded shoulder straps, this backpack fits every adult or child. Next to this, the Vancouver backpack is easy to carry via the top carry handle.
