

VINGA Baltimore RCS 2-in-1 Wireless 15W Travel Charger

SKU: TP1V3080125

Category: Technology

Baltimore Wireless 2-in-1 Travel Charger is designed to deliver fast, effortless power for your everyday essentials. Lightweight and functional, it eliminates cable clutter and replaces multiple chargers with one elegant solution. Crafted from RCS-certified recycled ABS with the classic Baltimore matte PU coating, it offers a sleek, minimalistic look. Compact and travel-ready, it wirelessly charges both your phone and your watch at the same time, making it the perfect companion for life on the move. With Qi compatibility, precise magnetic alignment and fast wireless charging, your devices stay perfectly positioned and power up quickly. Simply connect it to a USB-C power source for a seamless, organised charging setup. Compatible with Qi-enabled devices, including phones and Apple and Samsung watches. Type-C input: 5V/3A, 9V/2A. Wireless output: Phone 5W/7.5W/10W/15W (MAX), Watch 2.5W (MAX). Total recycled content: 36% based on total item weight. Certified by Control Union, CU1162221.
