VINGA Baron copper saucepan

SKU: TP121202

Categorie: Home and kitchen

Disponibilitate: În stoc (352)

Exclusive tri-ply copper saucepan. The first layer is the copper exterior, the interior consists of a layer of aluminium and a layer of stainless steel, which make it easy to clean. The copper and aluminium layers conduct heat well, allowing the pot to heat up quickly and evenly. The base has been reinforced with a thicker stainless steel plate which allows for use on an induction hob. The saucepan has stainless steel handles that stay cooler while cooking. Suitable for all types of stoves, including induction.
