SKU: TP13181

Categorie: Home and kitchen

High-quality round cutting board that thanks to its large size and decorative design can be used for serving as well. A useful handle further simplifies the handling and serving process. The board is made of FSC®-certified teak and has a beautiful golden to medium brown wood surface that darkens over time. The high oil content gives the board a powerful protection against decay, and keeps it in a fine condition for a long time.
