VINGA Ciro RCS recycled steel lunch box

SKU: TP1V26910

Categorie: Home and kitchen

Ciro RCS recycled steel lunch box is a practical and eco-friendly lunch solution that is designed with care for both functionality and environmental awareness. The lid, made of FSC®-certified acacia wood, features a convenient PU strap with velcro closure, ensuring secure transport. Acacia wood is an organic material where variations in shade and colour are natural characteristics. With this lunch box, you can easily enjoy your meals while taking a step towards reducing the use of disposable containers and plastic. Certified by RCS (Recycled Claim Standard), RCS certification guarantees that the entire supply chain of recycled materials is certified. The total recycled content is based on the overall product weight. This product contains 39% RCS-certified recycled stainless steel. Easy to clean. Handwash only. Including FSC®-certified kraft packaging.
