

VINGA Lean RCS RPET waterbottle 800 ML

SKU: TP1V4330522

Categorie: Drinkware

Water bottle made from BPA-free RCS certified recycled PET. With a generous 800 ML capacity, this bottle is ideal for workouts, travel, or whenever you need extra hydration. The loop doubles as a convenient handle, perfect for carrying on the go or hanging on exercise equipment. The ideal shape allows it to fit in most cup holders. Exclusively suitable for cold drinks. Handwash only. Certified by RCS (Recycled Claim Standard), this certification ensures that the entire supply chain for recycled materials is verified. The product contains 68% RCS certified recycled PET.
