

VINGA Sloane RPET Cooler bag

SKU: TP1560161

Categorie: Bags and travel

An elegant cooler bag made of recycled polyester woven to resemble durable canvas twill. Outer fabric in 100% recycled polyester from PET bottles. Exclusive details in PU, made of so-called waterborne PU, where primarily water is used to replace strong solvents in the production process. This process is better for the environment, but above all for factory workers. This cooler bag is insulated with extra thick foam and lined with so-called PEVA, a material that is easy to keep clean and fresh.
